

HELP US SEND KIDS TO SUMMER ARTS CAMP

Campaign Information

We are raising \$15,000 to ensure we are able to provide everything necessary to send at least 15 kids to Summer Arts Camp for six days. The kids will explore their creativity via visual arts to include painting, sculpting, drawing, origami, writing and photography.

Why this campaign?

As DJ Square Knot, the Founder & CEO has stated multiple times. *"We must engage our Youth and help change their mindset. And what better way to do that, than to allow them to explore their creativity?"* There are so many negative influences around them on a daily basis to which DJ Square Knot can attest to personally, growing up in Brooklyn, New York. It is his, as well as Square Knot Kids' belief that there are so many Parents, Teachers, Community Leaders etc. who want the best for our Youth and Square Knot Kids is here to help initiate that change.
